Life is brief.
fall in love, maidens
before the crimson bloom
fades from your lips
before the tides of passion
cool within you,
for those of you
who know no tomorrow.

Life is brief.
fall in love, maidens
before his hands take up his boat
before the flush of his cheeks fades
for those of you
who will never return here.

Life is brief.
fall in love, maidens
before the boat drifts away on the waves
before the hand resting on your shoulder
becomes frail
for those who
will never be seen here again.

Life is brief.
fall in love, maidens
before the raven tresses
begin to fade
before the flame in your hearts
flicker and die
for those to whom
today will never return.”
